

## Local Media Relations Database

Project Title	Local Media Relations Database
Project Summary	Conduct research in support of the Department of Veteran Affairs Secretary level initiatives to more effectively leverage strategic partnerships in the media and local Veteran-centric organization.
Country	United States
Agency	Veterans Affairs Department
DoS Office	N/A
Post	N/A
Section	N/A
Number of Interns	2

## Project Description

To create a database of local Veteran-centric organizations to include points of contacts to be added to our email distribution list. The database will also detail Veteran-centric publications that are specific to local county, townships and other regionalized areas.

This work will help the Philadelphia Regional Benefits offer establish and create communication channels in Veteran communities that do not currently exist. We aim to increase Veterans' awareness of VA benefits to which they may be entitled.
